Brandon Clair

2715 Izabella Court, Frisco Texas 75033 • (972)302-0960 • Btclair91@yahoo.com

Network Operations Technician with 3+ years of experience in IT and network technician roles. A proven track record of using my excellent personal communication and organization skills to lead and improve support efforts. Provided support via email, phone and ticketing system to various clients via white-label support as a managed service under Netrio. Team player with excellent communication skills, high quality of work, driven and highly self-motivated. Strong negotiating skills and business acumen and able to work independently.

EXPERIENCE

AUGUST 2024 – NOVEMBER 2024

Project management/Technician| Precision Deployment Solutions | Texas

Assisted in building enterprise network refreshes and data center solutions to various vendors across the country. This involved coordinating hardware upgrades, optimizing network infrastructure, and ensuring seamless integration of new technologies to enhance operational efficiency.

AUGUST 2021 – JULY 2024

Tier 1 NOC technician & CIT | Netrio | Mckinney, Texas

Review, update, and revise tickets received from troubled callers as a CIT phone technician. Continued working as a Tier 1 technician with clients globally to troubleshoot and resolve a myriad of issues ranging from accessing remote CRMs and client portals to assist as a managed service provider. Supported multiple technologies such as SIM, Wi-Fi, Cradlepoints, VoIP and varying other topologies ranging from site support, carrier support, and individual customers alike.

MARCH 2018 – AUGUST 2021

CUSTOMER SERVICE SPECIALIST| TATA CONSULTANCY |PLANO, TEXAS

Assisted in company insurance & financial products in the life insurance division of Transamerica. Effectively managed client interactions and ensured smooth handling of multiple life insurances lines. This role included running financial reports and futures on cash values. Additionally, we analyzed complaints and took follow-up action with customers who previously expressed concerns about help. Any changes or adjustments in policies were made per client requests and communicated with transparency. Also assisted in making expedited claims to ensure quick payouts to beneficiaries.
